

Comprehensive Plan 2026

The following are some changes that will be made prior to the Public Hearing to the Mexico Town and Village of Mexico Comprehensive Plan 2026

Replace photo page 6?

Formatting to be changed on page 14

Clarify Water Districts, second sentence on page 31

Remove orange ! page 32

Take our Town of Mexico for park name on page 38

Add boxer history from Mexico Point Park in the Boxer Hall of Fame area

Change photo on page 60

In the Environmental Protection Area we will add a goal of supporting the County with their Nuclear Power Efforts

Under Economic Development and Tourism #3 add some generalized verbiage about improving sidewalks and trails systems In addition to Community Park and populated areas. This will also be worked into recreation

We will add references to the Village of Mexico DRI project, this will be in our description of areas as well as goals

add a conceptual drawing of changes to the gazebo/park redevelopment plan for Becks hotel (drawing)

We will add a recommendation to goals to preform a Parking Study.

In Regional assets we will add a statement regarding the County's Sewer Plan

In Regional influences we will add a simple statement about the Salmon River Hatchery

In Economic Development we will add an example using Tailwater Lodge

Regional Influences we will add a brief statement regarding some of the other State Parks and a statement about the large snow fall and activities here and in the Tughill Region

We will add a brief statement to the plan regarding Oswego County's Hazard Mitigation Plan

The goals will be in the same order as the applicable previous sections

A goal linking the village and the waterfront area by a trail

A brief statement of the Seaway Trail and its area in Mexico

We are going to change the lay out so that it isn't so blocky
